ACKNOWLEDGEMENTS

I wish to express my profound and sincere gratitude to my Research Supervisor, Dr. D. Sarala Kumari Lecturer in Biochemistry, Sri Krishna Devaraya University, Anantapur for suggesting the problem and guiding me throughout the course of the present study.

My sincere thanks are due to Dr. P. Ramakrishna Rao, Professor, and Chairman Board of Studies Department of Biochemistry. I am grateful to Dr. S. Dayananda, Head, Department of Biochemistry for extending all the help to me in the present work. My thanks are due to Dr. N.Ch. Varadhacharyulu, Dr. K. Lakshmidevi, Mr. C. Suresh Kumar, faculty members of the Department of Biochemistry for all the help rendered during the course of the present study.

I am thankful to the authorities of the Panayam Cements Ltd., I have no words to express my gratitude to the scientists of Rekulakunta dry land research station (A.P.A.U) with specific reference to Sri. Muniswamy soil physist for helping me in analysing soil properties.
I am grateful to the library authorities of Bangalore Agricultural University, Indian Institute of Science, Bangalore, S.K. University, S.V. University for allowing me to make use of the available literature. I am also grateful to the authorities of National Centre for science information and INSDOC authorities for the present work. I am highly thankful to Vimta Labs Limited, Hyderabad.

I am highly thankful to Dr. P. Mohamad Akhtar, Lecturer in Statistics, S.K. University and to Dr. G. Sreedhar, Reader in Rural Development for helping me in the Statistical analysis of the data.

My heartfelt thanks to my friends and Research Colleagues Kum. Anuradha, Mrs. Prabhavathi, Kum. Rajasree, Kum. Chamundeswari for their invaluable help and constant encouragement during the period of investigation.

My special thanks to Sri Shastri garu of the Deepti Computer Centre for typing my work with utmost care. I am also thankful to Rajesh Photostat Centre for getting me the Photocopies of my M.Phil. work. Finally I thank all those individuals and institutions who have directly or indirectly helped me in successful completion of the work.
I am to record my immense and deep felt gratitude to my revered parents and to my in laws. I am grateful to my husband Dr. K. Bhaskar, Reader in the Department of Rural Development for his encouragement and to my daughter Saikumudvathi for bearing all the inconveniences during the course of study. I will be in debt if I not mention my beloved sisters and brother with whose constant encouragement and affectionate treatment I could complete this great task.

SHANTHI .M
