Acknowledgement

I feel great enthusiasm in expressing my heartily gratitude to all those who directly or indirectly supported me and given me the chance to present this thesis.

My deep sense of thanks are dedicated to my supervisor Dr. Varsha S. Zade, whose excellency in the subject helped me to get introduce and create extreme interest in this study. This thesis is the fruitfulness of her interest, devotion and extreme efforts. I would like to express my heartily thanks to her for her friendly and parentally care taking behavior. Her guidance will always help me in my future endeavors.

I am also thankful to Department of Science and Technology, Government of India for providing financial assistance in the form of INSPIRE Fellowship. I would like to express my sincere thanks to Dr. Sucheta Kole and Dr. Chamma Awasthi, Scientists, Department of Science and Technology for their cooperation in the matters of Transactions related to INSPIRE fellowship.

It would had been not at all possible to perform this study without the permission of Forest Department. I express my sincere thanks to Principle Chief Conservator of Forest, Government of Maharashtra and Conservator of Forest, Melghat Tiger Reserve, Amravati for giving necessary permission to enter and reside in Melghat Tiger Reserve for the collection and observation of beetles. It will be unhonest if I forgot to express my honest thanks to Mr. Pravin Thakare, Research Staff member, Melghat Tiger Reserve office, Camp Amravati and all forest officers of Melghat Tiger Reserve for their kind and friendly co-operation and valuable suggestions throughout the work.

I express my special thanks to The Director and experts, Zoological Survey of India, regional stations like ZSI Pune, ZSI Jabalpur and ZSI Kolkata for their kind cooperation and help in identification of beetles.
I am thankful to Dr. Mohd. Samiullah, Director, Government Vidarbha Institute of Science and Humanities Amravati for his continuous inspiration and providing all possible help. I am also thankful to Dr. V. H. Singh, Head of Department of Zoology, Government Vidarbha Institute of Science and Humanities Amravati for allowing me to work day and night in the laboratory. I must acknowledge all my loving and helpful teaching staff of the department.

I am also thankful to all non-teaching staff of the department, specially Mr. Gangadhar Bopache for his valuable library assistance. I am also grateful to Mr. Joshi, Mr. Muneshwar, Mr. Mogare, Mr. Sahare and Mr. Pande for their kind help.

It's my pleasure to acknowledge the cooperation of my research colleagues specially Mr. Dinesh Dabhadkar, Ms. Shital Pare whose kind and loving behavior helped to make a splendid environment of the laboratory throughout the work.

I am feeling great degrees of happiness to express my sincere thanks to my parents and my brother Sachin and sister Rupali who always embolden me with extreme moral support, appreciation and overwhelming love without all these, it would have been almost impossible for me to workout. Its really nice opportunity to mention heartily thanks to my close friends Mr. Bhushan Tasare, Mr. Pawan Yeotkar, Mr. Swapnil Dhule, Mr. Suhas Mundane and Mr. Rahul Mokale for their moral support and all possible help.

Last but not the least, I express my thanks to all those who helped me in one or the other way, directly or indirectly, during the entire research work.
