ACKNOWLEDGEMENTS

I would like to express my deep and heartfelt gratitude to God for pouring the celestial blessings on me and giving me enough courage, patience and success that this dream of mine is transformed into a reality.

I have great pleasure to acknowledge my sincere thanks to my Supervisor Prof. N.R. Sharma. He provided all help and support and remained a source of inspiration throughout the present study.

This study could not have been accomplished without the inspiration and able guidance provided by my Co-Supervisor Prof. Lokesh K. Verma. The encouraging and keen interest provided by him made my task much easier and interesting. The hard work and dedicated academic sharing received from him needs a special mention here.

I would like to acknowledge my gratitude to Head of Department and Teaching faculty of Education Department. I am also thankful to Librarian and other Non-teaching staff of the Department.

I have great pleasure to acknowledge my sincere thanks to Prof. Rahul Gupta, HOD, and Mr. Sandeep, Research Assistant, PG Deptt. of Statistics, University of Jammu for their help and support in analysing the data by using SPSS software.

I would be failing in my duty if I don’t acknowledge my thanks to my respondents, teachers working in Government Senior Secondary Schools of Jammu and Kathua Districts.

The heavenly blessings of my father-in-law (Late Sh. Raghbir Rai Sharma) and my mother (Late Smt. Geeta Devi) helped me in achieving this goal. I would feel pride to have mother-in-law like Smt. Rajni Sharma and father like Sh. Rajinder Kumar Khajuria whose love and care helped me to achieve my goal.

Deepest acknowledge is expressed to my husband, Mr. Pankaj, who remained a symbol of patient support without which I could have never moved forward. He was always at my side whenever I needed his assistance and acted as a mentor in shadow. I take pride in myself for being the mother of Stuti (daughter) and Hari (son) who are so understanding in such a tender age, which encouraged me in my quest.

Highest gratitude and acknowledge to my well wishing Sh. Ashok Singh, Smt. Vijay and Parul and my Director Dr. Poonam D-hawan, all my colleagues and friends especially, Dr. Kavita Suri, Dr. Pallavi, Dr. Bharti, Dr. Sandeep, Ms. Sonia, Ms Sita Anand, Dr. Royal and Ms Samvedna for their encouragement and support.

REWAKHAJURI
