ACKNOWLEDGEMENTS

The quest for knowledge has taken me into a journey filled with interesting challenges and given me an opportunity to work with intellectuals who made this experience commendable. At this juncture I feel duty bound to thank everyone for playing an important role in making my efforts a success.

I am greatly indebted to my research supervisor Prof. K. B. Gudasi, Professor, Department of Chemistry, Karnatak University, Dharwad for his inspiring and invaluable guidance, constant encouragement, moral support and concern throughout my research tenure. He made me think independently and efficiently in order to tackle multidisciplinary projects. I thank him for the freedom given and patience he had for me during my stay in the laboratory. The knowledge gained by working with him will definitely be useful in my academic evolution. I will always remain grateful to him and consider myself privileged to be associated with him.

I am thankful to Prof. S. A. Patil, Chairman, Prof. S. T. Nandibewoor, Prof. M. I. Aralaguppi and Prof. M. L. Budni former Chairmen, Dept of Chemistry for providing all the necessary facilities during my research work.

I am deeply grateful to Prof. T. M. Amminabhavi and Prof. T. R. Goudar for their affection, concern and encouragement.

I am grateful to my teachers Prof. M. V. Kulkarni and Prof. V. K. Revankar for generosity in giving their time, knowledge and support. I have been benefited from the support and care offered by a large number of teachers of Chemistry Department who taught at various levels. I appreciate their help. They include Prof. (Smt) L. S. Manjeshwar, Prof. M. Y. Kariduraganavar, Prof. S. A. Chimatadar, Prof. N. B. Mallur, Prof. J. Seetaramappa, Prof. K. M. Hosamani, Dr. I. M. Khazi, Prof. (Mrs.) B. V. Badami and Dr. R. R. Kamble.

I record my special thanks to Dr. C. S. Frampton, SAFC Pharmorphix, Cambridge, U.K. and Dr. M. Nethaji, Department of Inorganic and Physical Chemistry, I.I.Sc., Bangalore for Crystallographic studies.

I particularly want to thank the wonderful and talented research senior Dr. R. S. Vadavi, who helped me in learning the techniques that makes a good synthetic chemist. I am thankful to Mr. D. S. Badiger and Mr. S. S. Machakanur whose friendships, hard work, assistance, and lengthy scientific discussions have helped me accomplish all that I have. I would also like to thank several past and present members of my research group Dr. S. A. Patil, Dr. Manjula S. Patil, Dr. Rashmi V. Shenoy, Dr. V. C. Havanur, Dr. (Smt) Rekha S. Hunoor, Mr. R. P. Bakale, Mr. G. N. Naik, Miss. Mamata U. R., Mrs. M. B. Patil and Miss. A. H. Pathan for their support and constant help.
It gives me great pleasure to acknowledge the dedicated efforts, sustained interest, affection and all kind of encouragement, that I have received from Dr. V. B. Jadhav, Dr. G. D. Kolavi, Dr. V. S. Hegde, Dr. C. D. Bathula, Dr. S. D. Kulkarni, Dr. G. G. Joshi, Mr. R. S. Sangurmath, Mr. Yashawardhan Malpani, Dr. Mithun Maddani, Dr. Uday Prabhu, Dr. S. G. Adoor, Dr. K. A. Thabaz, Dr. Roopa H. Patil, and Dr. Vijayendra Shetti.

I am grateful to my seniors Dr. Anil D. Naik, Dr. Raviraj Kusanur, Dr. Raviraj P, Dr. B. N. Kiresur, Dr. M. S. Salunke, Dr. P. R. Latthe, Dr. R. S. Koti, Dr. Andan Patil, Dr. Prashant Shinge, Dr. L. A. Shastri for their assistance and encouragement.

I express my heartfelt thanks to Mr. N. Y. Annigeri, Dr. Mallesh Kamatgi, Dr. M. N. Kalasad, Dr. James M, Dr. Satish G, Dr. Vishwanath Chachadi, Dr. Nagaraja Nagre, Mr. Sachin Eligar, Mr. Ganapati Bhat, Mr. Sunil Basinge, Mr. Rahul Ghugri, Mr. Omkar Babu, Mr. Ningappa Naval Gund, Mr. R. C. Baratake, Mr. Sankannavar, Dr. Dheeraj K.V., Mr. Venkatesh Mutnavavar, Mr. Nagachandra K.H., Mrs. Monika Smt. S.S. Vadavi, Dr. Kalavati. Aparaj Smt. Gayatri and Shri G.G. Joshi for their altruistic cooperation & incessant support.

I would like to express my thanks to Dr. M. I. Hiremath, Dr. Nagaraj Bevinahalli, Dr. M. B. Bellakki, Mr. Ashok Sajjan, Dr. R. G. Tasganva, Dr. M. B. Patil, Dr. Jolly V, Dr. Satisha M. P, Dr. Prakashgouda Avaji, Dr. P. N. Naik, Naveen Badiger, Miss. Anita Sullad and all the research scholars of the Dept. of Chemistry, Karnatak University Dharwad, for their constant encouragement, cooperation and help.

I am extremely thankful to the non-teaching Staff of Department of Chemistry, Director and Staff USIC Karnatak University, Dharwad for providing spectral and analytical data of my research compounds.

I take this opportunity to thank Mr. Vinayak and Nagaraj Naik for their professionalism & painstaking effort in giving the present shape to this thesis.

I wish to express my deep sense of gratitude to my beloved parents Mr. R. S. Patil and Mrs. Vijayalakshmi Patil. They are the source of motivation and courage, without their love and constant nurturing, I would not have been what I am today. I also thank my brother Mr. G. R. Patil, sister Mrs. B. R. Patil, Brother-in-law Mr. Gururaj Hiremath for their affection, encouragement and constant support. I owe my special gratitude to my grand mothers Late Smt. Chinnamma, Late Smt. Sulochana and Grand Father Shri K.S. Patil and other family members whose blessings, sacrifices and moral support made this endeavor of mine a reality.

I am very much obliged to UGC, New Delhi for the award of Research Fellowship in Science for Meritorious Students (RFSMS).

B.R. Patil
