ACKNOWLEDGEMENTS

Pursuing a Ph.D is a both painful and enjoyable experience. It's just like climbing a high peak, step by step, accompanied with bitterness, hardships, frustration, encouragement and trust and with so many people's kind help. When I found myself at the top enjoying the beautiful scenery, I realized that it was, in fact, teamwork that got me there. This research effort represents a culmination of advice and great support of many people to whom I am deeply grateful. I wish to express my utmost appreciation and deepest gratitude to the following individuals

I would like to acknowledge, my supervisor Dr. Geetha C their patience, guidance and willingness to share their knowledge, skills, time and experience particularly to Dr. Geetha C for her efforts as the source of my success, strength, and inspiration for this work. She is a sincere and extremely caring educator who has always encouraged me to be creative in my research work. She has always to bring out the best in me to be a good researcher. Her constant constructive ideas and criticisms as well as invaluable advice throughout this study provided me with the right direction and motivation to successfully complete this study. And also my Special thanks to Mr. Govindaraju A T, Suyog G and Vijay Kiran G for their best wishes for my Ph.D. work.

To The Chairman and Associate Professor Dr. Patil S S for his concern, support and valuable remarks for continuous guidance. He provided the necessary suggestions and ideas that contributed to the quality of the study. He scrutinized this work specially my results and gave valuable feedback which greatly improved it. I really extend particular thanks for his work tirelessly at guiding and constructively criticizing every step of my work.

I also acknowledge my gratitude to Dr. Jagannath K Dange for his comments, guidance and support especially in the research method. He provided the necessary advices for this work regarding the research ethics. He scrutinized this work specially my methodology and results and gave valuable feedback which greatly improved it. He was always ready to listen and to give advice when it was needed most. His contribution encouraged me to complete this work.
