ACKNOWLEDGEMENTS

It gives me immense pleasure to express my sincere gratitude to my esteemed supervisor Dr. P.S. Jaswal, Professor, Department of Laws, Panjab University, Chandigarh, for his expert guidance, constant encouragement and keen interest, without which the present study would not have been possible. I am appreciative for his constructive criticism and words of wisdom, which had been constant source of encouragement for me during this research work.

I express my sincere thanks to Professor Shashi K. Sharma, Chairperson, Department of Laws, Panjab University, Chandigarh for his constant support.

I am grateful to Chairman, members and staff of the Punjab Pollution Control Board for making me available relevant data regarding present study. I extend my special thanks to Mrs. Chander Kanta, Dr. Charanjeet Singh and Mr. Rajiv Garg, Environmental Engineer, Punjab Pollution Control Board.

I express my sincere thanks to Executive Officers and staff of Municipal Corporations, Jalandhar, Ludhiana and Municipal Councils of Nabha, Dera-Bassi, Nawanshahar, Mohali Ropar, Shri Harjyotindpur, for providing me wide information regarding the disposal of municipal waste and working of sewer system, which proved very helpful in this research work.

I express my thanks to doctors and staff of Government Hospital Phase – 6 Mohali for giving me valuable information about the steps taken by hospital for the disposal of its garbage.

I express my profound thanks to Dr. K.K. Sharma, Senior Veterinary Officer, Veterinary Hospital Kharar for providing me relevant information.
I record my special thanks to judges, of District Courts Ropar, for providing me their valuable time.

I express my heartiest gratitude to my friend, Dr. Pushpinder Gill, for assisting me in various ways during the course of this study.

My profound thanks to the lawyers of Punjab and Haryana High Court Chandigarh, District Courts Chandigarh and District Courts Ropar for assisting me in various ways.

Special thanks to Ms. Medha Patekar, environmentalist and Mr. S.K. Chaudhary for their valuable suggestions regarding the control of water pollution. I also extend my gratitude to general public for providing me special information regarding water pollution in the State.

I am indebted to my late grand father for his constant support and encouragement throughout my academic career.

It is a pleasant duty of mine to acknowledge my debt of gratitude to my parents for their love, constant support who have always been source of inspiration to me.

I acknowledge with deep sense of gratitude, the co-operation, I received from my sisters, Dolly and Vandana.

My deep sense of appreciation is due to my brother, Rohit for his love, selfless support and constant encouragement.

I extend my thanks to Library Staff, Department of Laws, Panjab University, Chandigarh for providing me relevant material for the present research work.

I would like to thank Mr. Surinder Bajaj, Bajaj Graphics for shaping the manuscript in a presentable form.

I would be failing in my duty, if I do not express my thanks to "Almighty" for showering his blessings, which enabled me to complete the present work.

Monika Sharma
