Dear Student,

We are grateful for your participation in this study of families. This packet contains several questionnaires that we would like you to fill out. Most of these are standard questionnaires that have been used in many studies and filled out by many kids like yourself. It will be helpful to us if you can be as complete as possible in all your responses to the questions. At the same time we respect your right not to respond to a question if you feel that it's content is personal and private.

Remember that the information you put down is strictly confidential. If you have any questions about any of the items, do not hesitate to ask us. Thank you again for your time and effort.

Cordially,

Reed Larson, Ph.D.
