I take this opportunity to express my thanks to Dr. L.R. Sharma, M.Sc. (Hons.), Ph.D., F.R.I.C., Professor of Physical Chemistry, Department of Chemical Engineering and Technology, Panjab University, Chandigarh, for suggesting me this work. I am deeply indebted to him for his able guidance, valuable suggestions, helpful criticism and encouragement, he gave me throughout the tenure of my work.

I am extremely grateful to my young friends Dr. A.K. Manchanda and Shri Gurcharan Singh for the interest, which they took in my research work and the constant encouragement which they gave at each stage of its execution.

My sincere thanks are due to Inspector-General of Police, Haryana and Dr. B.R. Sharma, Director, Central Forensic Science Laboratory, Chandigarh for permitting me to carry out this research work.

I am equally thankful to Dr. O.P. Chugh, Director, Forensic Science Laboratory, Haryana, Madhuban (Karnal) for his helpful and encouraging attitude towards my research activities.
I am also grateful to Dr. B. Ghosh, Chairman, Department of Chemical Engineering and Technology, Panjab University, Chandigarh for providing me the necessary facilities for research.

Chandigarh
May, 1980.
