ACKNOWLEDGEMENTS

I feel great pride and privilege to extend my sincere thanks to my esteemed supervisors Dr. S.C. Sharma, Reader, Department of Chemistry, Panjab University, Chandigarh and Dr. I.M. Joshi, Reader, Department of Chemistry, Panjab University Chandigarh for their invaluable guidance, keen interest and cooperation extended by them during the course of this investigation.

I fail to find adequate words to express my indebtedness to Prof. Dip Singh Gill, Department of Chemistry, Panjab University, Chandigarh for his sympathetic and accommodating nature which remained a constant source of inspiration for the completion of this work.

I thank Prof. S.P. Narula, Chairman Department of Chemistry, Panjab University, Chandigarh for providing me the necessary laboratory facilities.

Thanks are due to Dr. Mandeep Singh, Dr. Vijay Singla, Dr. N.S. Dhar, C.M. Gupta, Reni Sharma and all other friends for their cooperation and help. I also thank Anil Kumar and Rajesh Kumar for their help in the computer work.

I would like to express my sincere thanks to my parents and my brother Jagjit Singh for their cooperation and encouragement given to me at every step.

Finally, I thank the University Grants Commission, New Delhi for the financial assistance.

(Jasbir Singh) Chandigarh
