ACKNOWLEDGEMENTS

My most sincere thanks are due to Professor B.C. Paul, M.Sc., Ph.D. (Pb.& Cantab), F.N.A.Sc., F.R.I.C., F.N.I., Head of the Panjab University Chemistry Department, Chandigarh for his impeccable guidance, continued interest and fruitful advice during the execution of this work.

I am highly indebted to my wife, Kiran, whose boundless love has always been infusing inspiration which was a great source of encouragement, throughout.

I am grateful to the Council of Scientific & Industrial Research, Govt. of India and National Bureau of Standards, Washington, D.C. (U.S.A.) for their financial assistantships.

I must express my thanks to my fellow research workers and the members of the staff of Panjab University Chemistry Department, for their affectionate treatment and cooperative nature during the course of this work.

Om Chand Vaidya
