Acknowledgement

This thesis is a brain child of four and half years enduring efforts of the researcher. At this juncture I would like to remember the following advice given by my guide, who always made it a point to every research scholar who approached him for the Ph.D., Guidance “remember when you do a research you are not alone and the group effort shares the work you are ALL ALONE responsible for the success or failure of your efforts”. At this out set, I would like to convey few words to my beloved guru and guide Dr. H.N. Ramesh “Sir, you never made me feel alone in this entire journey of knowledge sharing”.

I would like to sincerely thank Dr. H.N. Ramesh, Associate Professor and Chairman, Institute of Management Studies and Research, Kuvempu University, Shankaraghatta, for his whole hearted support and guidance towards accomplishing my doctoral dissertation.
