Acknowledgement

First and foremost I am thankful to the ‘Creator of this world and Nature’. I am grateful to my mother Late. Smt Leelavathi Basappa Basavaraddi and my aunt Late. Shakunthala Ramthal for bountiful grace throughout my life.

It gives me immense pleasure to express my heartfelt gratitude to my guide, Dr. Hina Kousar, Assistant Professor, Department of Environmental Science, Kuvempu University, Jnana Sahaydri, Shankaraghatta, for her genuine interest and who always was a source of inspiration in channelizing my efforts in the right direction.

It is a great honour to express my sincere gratitude to my co-guide Dr. E.T. Puttaiah, Professor, Department of Environmental Science, Kuvempu University, Jnana Sahaydri. Shankaraghatta and Hon’ble Vice Chancellor, Gulbarga University, Gulbarga, for his encouragement and noble guidance during the period of my research work.

It is my privilege to thank Dr. J. Narayana, Professor & Chairman, Dr. S.V. Krishnamurthy and Dr. K. Yogendra, Department of Environmental Science for their kind help and co-operation during the period of investigation. I am thankful to Dr. Hosetti, Dr. Vijaya Kumar, Dr. Anantha Nag, Dr. Jayanna, Dr. Ashok, Dr. Narshimahmurty and Dr. A.R. Krishnamurthy for their hospitality and kind support during research.

It is a pleasure to express my gratitude to my noble teacher Late. V.S. Basavaraddi who taught me the first word at my primary school at Savadi, Ron Taluk. I thank Mama Sri. V.N. Ramthal and Late Smt. Santhamma Ramthal & family who put mile stone to my education and supported me all the time. I am thankful to Prof. Jogul for his guidance during School till Pre-University education in Basel Mission School, Dharwad. I am grateful to Professors of Sri. Annadaneswar Mahavidyalaya, Naregal, Ron Taluk who taught me degree classes, specially Prof. H.R. Meti and Prof. Smt. Sharada Meti for their guardianship and educational advice.

I thank Dr. Nagraj Naik, Dr. Venkatesh Kumar G. and Dr Revanasiddaiah for their academic support and valuable suggestions during my research work.
I owe my deep sense of gratitude to members of “Kalpatru Vidya Samsthe, Tiptur” Principal, Sri. N. Parameshwarappa, K.S.F.G College, for professional insight and for being a source of constant inspiration to me. I thank Sudhakar S., Agriculture officer, Tiptur, for his valuable information.

I thank my friends Dr. Jagadeesh, Basavarajappa, Major Prasadi and Dr. Rai for their guidance and also Prof. Prakash, Prof. Mallikarjunasawamy, Sri. K.B. Shivakumar and all my colleagues of Tiptur College who showed love and affection. My Special regards to Dr. Shivakumar and Dr. Nameenath and Dr. Ramakrisna Bhat, who have been care takers of my health during the period of my research. I also thank my Co-researchers Prof. A.M. Shivanna and Prof. Jagdeeshppa of my college.

I express regards to Dr. Narsimhamurty, Tumkur and Smt. Sheela, for their guidance. I am very happy to express my regards to Prof. Mookappa Naik, who has been a good friend and co-researcher during the period of my study. Specially I thank Dr. Nagappa, Bangalore and Mr. Manjunath, Pollution Control Board, for their help and advice. I am thankful to Non-teaching Staff Mr. Tirtharamesh and my research friends Mr. Adamsab Patel, Mr. Anil Bjapur, Dr. Prakash, Mr. Madhu and Mrs. Arjumand Banu for their assistance.

I take this opportunity to thank cyber Panchanna for his support and co-operation for typing, setting and printing my work.

I convey my regards to Teaching and Non-teaching staff of the Department of Environmental Science, Kuvempu University, who have given moral support and timely help in many ways during my research work.

I express my sincere & profound thanks to Smt. Susheela Puttaiah for her constant encouragement throughout the course of my study.

I thank Sri. Veerappa Basavaraddi and Smt. Neelamma for their support, especially, Dr. Iswar Basvaraddi, Dr. Kusuma and all members of Basvaraddi family who supported me all the time. I would like to express my heartfelt thanks to my wife and children without whose support and help this work might have not been possible.

Subhaschandra Basappa Basavaraddi
