Acknowledgements

This thesis is the end of my journey in obtaining my Ph.D. I have not traveled in a vacuum in this journey. This thesis has been kept on track and been seen through to completion with the support and encouragement of numerous people including my well wishers, my friends, colleagues and various institutions. At the end of my thesis I would like to thank all those people who made this thesis possible and an unforgettable experience for me. At the end of my thesis, it is a pleasant task to express my thanks to all those who contributed in many ways to the success of this study and made it an unforgettable experience for me.

At this moment of accomplishment, first of all I pay extremely indebted to my advisor Dr. K.R. Venugopala Reddy, Professor, Dept of Chemistry VSK University. This work would not have been possible without his guidance, support and encouragement. Under his guidance I successfully overcame many difficulties and learned a lot. I am very much thankful to him for picking me up as a student at the stage of my Ph.D.

I would like to express my sincere gratitude to Prof. S. Sampath Dept. of Inorganic and Physical Chemistry Indian Institute of Science Bangalore, for permission me to work in their groups and helped me to finish my part of thesis work.

I am also indebted to Dr. Y. Arthoba Nayaka Professor Dept of Chemistry Kuvempu University, for their encouragement, insightful comments.

It is my pleasant duties to express my grateful thanks to Prof. S.A. Bari, Hon’ble Vice-Chancellor of Kuvempu University and Prof. H.S. Bhoja Naik, Registrar (Evaluation), Jnana Sahyadri, Kuvempu University, for his kind cooperation during my research work.

I place on records my sincere thanks to UGC for the award of Rajiv Gandhi National Fellowship, New Delhi, for financial support to carry out the research.

I sincerely thank Prof. G. Shakuntala, Principal, Sahyadri Science College, Shivamogga for providing laboratory facilities during my research work.
It is my pleasant duty to express my sincere thanks to Prof. K. Vasantha Kumar Pai, Chairman, Department of Industrial Chemistry, Kuvempu University, for his kind co-operation during my research work.

I also thank all faculty members of Department of Industrial Chemistry and Chemistry, Kuvempu University, Dr. J. Manjanna, Dr. Yadav. D. Bodke, Dr. B.E. Kumara Swamy, Prof. J. Keshavayya, Prof. T.V. Venkatesha and also non teaching staff of both the departments for their encouragement.

It is my pleasure to express my sincere thanks to Dr. H.M. Vagdevi, Dr. K.P. latha, Dr. G. Krishnamurthi, T.C.M. Yuvaraja, Dr. B.C. Gowdarshivananavar Chairman, Dr. H. Jayadevappa, Principal Sahyadri Arts and Commerce College and faculty members of Sahyadri Science College and non teaching staff.

I would like to express my deepest gratitude to H.R. Mallikarjuna Lecturer Govt PU College Bhanuhalli Harihara. There really are no words to express gratitude for all they do, I was glad you are my teacher: you gave me confidence in myself and courage. Thank you for your patience and all your support. I am also grateful thanks and respect to my each and every one teacher, whose blessing and encouraging words made me to move on.

I have also benefited by advice and guidance from Dr. Harish M.N.K. and Dr. Ganesh S.D for their understanding, encouragement, valuable suggestions and personal attention which have provided good and smooth basis for my Ph.D. tenure.

My sincere appreciation is extended to my friend N.B. Hanumantha Raju, librarian, Govt. Degree College, Sunakalbidri.

My sincere thanks to Dr. H.R. Mallikarjun K.M. Pradeep, C.D. Mruthyunjayachari, Dr. T. Sheela, Dr. G.N. Mounesha Dr N.D. Shashi kumar, Dr K.B. Venkataesha, H.E. Mallikarjuna, S.V. Naveen Aradhya, B. Ramesha and my research group for continuous support.

My thanks are due to Prashith kekuda T.R. and Dr. Jayanna N.D. for helping in doing all the biological activities tests, antioxidant activity and encouragement during the course. It’s my pleasure to acknowledge Dr. Anita, Dr. Vittal Rao K.S. Dr. Fasiulla and Dr. A.M. Sridhara for their constant moral support.

There are some friendships that we remember forever. These are the friendships that were formed when we were children and in the
journey of education. I would like to thank all of friends for their kind help in both my research and personal life: Childhood friends Sharth kumar, Shivaraja, R. annappa, late T. Harish, S. Harish, H.C. Kumara, Ramesha, Ashoka, Raghu, Manju, Malthesha, Halesha, Halaswami, Harisha, Navena. Deegree friends Malli, Basvaraj, Dattu, channa, Dr. Vidiya sagar, Dr. Vishwanath, Dr. Basavanna, Mahantesha, Ramesha, kirthi, Viji, Suri, Husna, Deepu, Umesha, Yeshavantha, Yogi, Viji, Darshan, Vishwa, Kenchappa, Loki, Jithendra, Shafi and Manju.

Where would I will be without my family? My parents deserve special mention for their inseparable support and prayers. My Father, Sri. T. Basappa, in the first place is the person who put the fundamental learning character, showing me the joy of intellectual pursuit ever since I was a child. My Mother, Smt. A.B. Pushpa, is the one who sincerely raised me with her caring and gently love. Appa, amma, thanks for being supportive and caring blessings. Although they may not have shared in my found ness for science, but supported me in everything I have done, without which I would not have been where I am presently.

I am lovingly grateful to my beloved brothers Keshava Murthi, Madhu, Girish and sisters Poornima, Chandrakala for their generous support and constant encouragement throughout my research work. My grandfather Late G.H. Bheemappa, grandmother Rudramma, always valued education and helping me with my studies. I would not be where I am today without their help.

I express my thanks to the non-teaching staff and Library of Industrial Chemistry and Chemistry Departments, Kuvempu University and Sahyadri Science College, for their kind co-operation and helping during my course work.

Finally, I would like to thank everybody who was important to the successful realization of thesis, as well as expressing my apology that I could not mention personally one by one.

B. Chidananda
