ACKNOWLEDGMENT

I deeply express an overwhelming gratitude towards my guide, Dr. U. C. Banerjee, Scientist, Institute of Microbial Technology, Chandigarh in extending his personal cooperation when I needed it the most. His illuminative guidance, stimulating scientific suggestions, excellent analytical mind and incisive criticisms throughout the course of the present investigation. His untiring efforts to guide me at an hour without a frown, his keen blended with a touch of personal affection out of his multifarious agility helped complete a ordeal. At last, I am indebted for his brotherly affection, ever ready help and support.

I would like to express my honest and sincere regards to Dr. Amit Ghosh, Director, IMTECH for the excellent facilities provided for research.

I convey my sincere gratitude to Dr. P. R. Patnaik, Deputy Director, IMTECH for his timely and valuable suggestions.

I am indebted to Dr. R. M. Vohra, Dr. D. K. Sahoo, Mr. Vinay Vyas and Mr. Hemraj Nandanwar for their help whenever it was needed. I am sincerely thankful to Dr. R. S. Jolly for his valuable suggestions in this study.

I take a special pleasure in expressing my appreciation feelings to Wamik Azmi, my lab mate for his moral support, suggestions and cooperation during this work.

I convey my sincere gratitude to Mr. Vijay Sonawane, Scientist, IMTECH for his inspiring efforts and care rendered. I am glad to thank Mr. Anil Jaryal, for his technical help in fermenter running and ever willing cooperation. I also wish to thank Ms Binita Saxena for her technical help and extreme cooperation. Thanks to Mr. R. K. Kanaujia, Md. Yunus, Deep Chand and Rambir for their constant help and cooperation in the laboratory work.

I am also thankful to my colleagues Nevil, Rashmi, Dhyan Chandra, Jyotsna, Rakesh, Randhir, Shakil, Vintoo, Vishwa Mitra, Jasvir, Ish and Ashish for their help and support when I needed it the most.
I am very grateful to Mr. Avtar Singh for his help in taking NMR spectra and Mr. Manmohan Singh (Jasmine Photo Studio) for excellent job in photography.

A due acknowledgment to CSIR and DBT for fellowship and facilities provided to work.

I wish to express my deep sense of gratitude to Dr. Harvinder Singh Saini for his moral support, suggestions and ever willing cooperation.

My heartfelt thanks and deepest sense of appreciation are owed to my sisters Dr. Raman Soni and Ms. Srabani Banerjee for their constant encouragement, constructive and helpful suggestions in this study.

I shall be failing in my duty if I do not place on record my heartfelt thanks to Ms. Kavita for her help, constant encouragement and extreme cooperation.

I am also thankful to Avik, Amrita, Gungun, Lubhna and Dikshit for their constant love and affection during my stay in IMTECH, Chandigarh.

The present study might not have been possible smoothly if there were not the trust, understanding, innumerable patience and the sacrifices made by my parents and brother, Naresh Kumar.
