ACKNOWLEDGEMENTS

The author expresses his deep sense of gratitude and indebtedness to Dr. P. Venkatraman, Professor of Civil Engineering under whose guidance this thesis work has been carried out. Mere words would not suffice to place on record the erudite guidance, sustained encouragement, constructive comments and inspiring discussions with him during the course of this work. The author wishes to record that he considered himself to be fortunate to have worked under him. He, in fact has been the source of inspiration for this work.

The author is thankful to the Principal, S.V. U College of Engineering for giving the opportunity to work for Ph.D work

The author places on record with gratitude the kind help extended by Dr. G.S. Krishna Murthy, Head of the Department, Department of Civil Engineering, Professors Dr. M. V. Jagannada Rao, Dr. K. Srinivasa Kao, Dr. M.Y.A. Baig of Department of Civil Engineering. The author is especially thankful to Dr. G.N. Pradeep Kumar, Dr. P. Mallikarjuna and Dr. K. Mallikarjuna Rao for giving suitable suggestions for the work.
The author is greatly indebted to Prof. K. Satyanarayana Reddy, Principal, K. S. R. M. College of Engineering and Dr. C. S. Reddy, formerly Principal of K. S. R. M. College of Engineering for giving necessary permission to carry out Ph.D work.

The author wishes to express his heartfelt thanks to Sri. A. Mohan, Head of the department, Dr. N. Kumara Swamy, Dr. J.V. Gurumurthy, Dr. G. Abbaiah and G.N. Mallikarjuna Rao and other colleagues for giving timely suggestions.

The author is very grateful to Er. R.S. Murthy, Retired Superintending Engineer, Telugu Ganga Project for supplying necessary data and information. The author acknowledges with thanks to Er. Nagendra, Er. M. Rarnakrishna and Er. G. Siva sankar for their help extended in collection of data from Telugu Ganga Project.

The author wishes to express his heartfelt thanks to his parents, friends B. Nagaraga, S. Giddogi Rao, and Ramana and other friends who helped directly or indirectly in completing the work.
Last but not the least, the moral support extended by my wife Vijayalakshmi and daughters Sravani and Vandana can only be felt by the author and is incommensurable by any means. It is deeply acknowledged in the same measure.

Radha Krishna Murthy, B
