

ACKNOWLEDGEMENTS

I cannot express the depth of my gratitude to my teacher, Professor V. C. Nanda for his guidance, encouragement and, above all, his keen interest throughout the preparation of this thesis.

I wish to thank Dr Sunder Lal for encouragement and constructive criticisms from time to time.

I owe a very deep debt of gratitude to my former teacher B. S. Watni whose inspiring guidance was primarily responsible for creating my interest in Mathematics.

It is a pleasure to express my thanks to Professor R. P. Bambah and Professor I. S. Luthar for providing me all the facilities in the department.

The financial assistance given by the Panjab University, Chandigarh and the University Grants Commission, New Delhi, is also gratefully acknowledged.

Lastly, thanks are due to Mr Manjit Kumar Bedi for typing this thesis.
