ACKNOWLEDGEMENTS

I wish to record my sincere thanks and deep sense of gratitude to Dr. H.S. Sohi, formerly Stte Plant Pathologist and Associate Professor of Plant Pathology, Himachal Agricultural College, Solan and presently working as Plant Pathologist, Institute of Horticultural Research, Bangalore for the valuable guidance, indispensable suggestions and constructive criticism during the course of the present studies and in the preparation of this manuscript.

I am also indebted to Dr. L.S. Negi, formerly Director of Agriculture, Himachal Pradesh and presently working as Vice-Chancellor, Jawaharlal Nehru Krishi Vishwa Vidyalaya, Jabalpur for his kind help in getting my enrolment as a Ph.D. student with the Panjab University.

My grateful thanks are also due to Dr. R.K. Singh, Vice-Chancellor, Himachal Pradesh University, Dr. B.S. Jogi, Director of Agriculture, Himachal Pradesh and Dr. D.P. Thakur, Principal-cum-Joint Director of Agriculture, College of Agriculture, Himachal Pradesh University, Solan, for their help and keen interest during the study. I am also grateful to Dr. Harbhajan Singh, Head of the Division of Plant Introduction, I.A.R.I., New Delhi for the import of various tomato varieties from different countries.

I wish to express my grateful thanks to Dr. R.K. Agarwala, Senior Plant Pathologist, Sh. S.L. Juneja, Deputy Director of Agriculture (Crop Research) and Dr. O.P. Avasthi, Professor of Agronomy for allowing facilities for work in their respective laboratories.
I am also thankful to Shri Subhish Chowfla and Shri Santokh Singh Sokhi, both Ph.D. students at I.A.R.I., New Delhi, and Sarv Shri Keshal Shayam, B.R.Verma, Mehar Singh Thaur, S.N.Peshin, Research Assistants, Solan and Shri V.C.Sharma, Assistant Plant Pathologist, C.P.R.I., Darjeeling for their valuable help from time to time. The invaluable help given by Shri Madan Mohan Sharma, Senior Investigator, Indian Statistical Research Institute, New Delhi and Shri Khamesh Chauhan, Research Assistant, Solan in the statistical analysis of experimental data is also thankfully acknowledged. I am also thankful to Sari S.R.Varma, Librarian, College of Agriculture, Solan for typing the manuscript.

The sincerity with which Shri Lari Singh, Laboratory Attendant helped me in conducting various experiments is also gratefully acknowledged.

(Sunder Lal Sharma)

Solan, the 29th October, 1971.
