ACKNOWLEDGEMENT

I would like to acknowledge the continuous support and unremitting encouragement from Dr. S.S. Banwait throughout the research work. Their valuable comments and precious suggestions helped me a lot in completion of this research work. I am extremely thankful to Dr. S.C. Laroiya, the then Director of NITTTR Chandigarh, for their constant source of inspiration during the research work.

I would like to express my sincere gratitude to all the faculty members of Mechanical Engineering Department, especially to Dr. B.S. Pabla, Head Mechanical Engineering Department and Dr. S.S. Dhami, for their suggestions and support. I am also thankful to non-teaching staff of Mechanical Engineering Department for their help and co-operation during my research work.

My special thanks to the Director, Technical Education Maharashtra State Mumbai and Principal Govt. Polytechnic, Nagpur and Amravati for sponsoring me for Ph.D. Programme at National Institute of Technical Teachers Training and Research, Chandigarh.

I would like to thank to all the faculty members of Mechanical Engineering Department of Govt. Polytechnic Amravati, without their co-operation and support, it would have been difficult to complete this work.

I take this occasion to express my deep sense of regards to my beloved Parents for their blessings and shaping my character right from childhood.

I deem it pleasure to express my special and heartfelt gratitude to my wife Pushpalata, my daughter Suwarna and son Prajwal whom words are less to express for being constant source of love and caring.

Finally, I would like to thank all who have directly or indirectly helped me to complete this research.

Above all, without the blessings of the God Almighty, this endeavor would not have borne fruit.
