Acknowledgements

I take this opportunity to express my deep gratitude to Dr. L.K. Sharma, M. Sc. (Hons.), Ph.D., F.R.I.C., Professor of Physical Chemistry and Dr. Daljit Singh, Ph.D. (Chemical Eng., Berkley), Reader, Department of Chemical Engineering and Technology, Panjab University, Chandigarh for their keen interest, perceptive encouragement and creative guidance during the progress of my research work. I am deeply indebted to them for their critical appraisal and valuable suggestions throughout the execution of this work.

I am extremely grateful to Dr. K.S. Salariya, Dr.-Ing. (Germany), F.I.E., Professor of Mechanical Engineering, Punjab Agricultural University, Ludhiana for his constructive and valuable suggestions during my research work.

I am also thankful to Dr. Ashok Sahni, Ph.D., Professor, Department of Geology, Panjab University, Chandigarh for his untiring help in conducting experiments on Scanning Electron Microscope.

To my revered parents, I express deep sentiments for their encouragement and affection that enabled me to pursue my Post Graduate Studies.
