ACKNOWLEDGEMENTS

I express my deep sense of gratitude to my supervisor Dr. S. Khera, Ph. D., D. Sc., Professor, Department of Zoology, Panjab University, Chandigarh, for his valuable guidance and constant encouragement throughout the period of these investigations. I am also thankful for the laboratory facilities provided by him during his tenure as Chairman of the department.

It is my privilege to express my heartful thanks to my co-supervisor, Professor N. K. Gupta, Ph. D. (Punjab), Ph. D. (London), Senior Scientist, U.S. PL-480, Department of Zoology, Panjab University, Chandigarh, whose professional insight, ready help, and kind attitude was of inestimable value during the course of these studies.

I am thankful to Professor H. S. Vasisht, Chairman, Department of Zoology, Panjab University, Chandigarh for providing me with laboratory facilities.

I am thankful to my labmates, office and field staff of the Project U.S. PL-480, especially Mr. P. P. Singh, Artist for their valuable help.

Financial assistance in the form of research fellowship provided by the authorities of U.S. PL-480 is gratefully acknowledged.
Last but not least I am very thankful to my husband and parents for their moral and financial support and encouragement during the course of these studies; without that this work would have never been completed.
