PREFACE

The present thesis "Fertiliser Industry in Tamil Nadu: A Study" is the outcome of my research under the supervision of Dr. N. K. Mangalamurugesan, Professor of History, Department of History, ICE, University of Madras, Chennai-5. This study aims to narrate the origin and growth of fertiliser industry and its contribution to agriculture. A few studies have focussed on consumption of fertilisers, Industrial case study etc. But, a complete and detailed study of the 'Fertiliser Industry in Tamilnadu' is yet to come, and hence, his is a humble attempt.

I express my sincere thanks to the Authorities of the University of Madras and Director, Institute of Correspondence Education, University of Madras, Chennai-5, for permitting me to conduct research for the Ph.D. Degree in the Department of History, ICE, University of Madras, Chennai.

I owe a large debt of gratitude to Dr. N. Gowrisankar, formerly Reader in History and at present Controller of Examinations, Presidency College, Chennai-5, for his guidance as Research supervisor during my early period of research.

I deem it my most pleasant duty to acknowledge the invaluable and scholarly guidance given to me by Dr. N. K. Mangalamurugesan, M.A., M.Litt., M.Ed., Ph.D.(His.), D.(Edn.), Dip. in. Sanskrit., Professor of History, ICE, University
of Madras, Chennai-5, in completing the thesis. I sincerely thank him for all the encouragement extended to me during the preparation of my thesis. My gratitude to him knows no bounds.

I place on record my thanks to the Director, The Fertiliser Association of India (FAI), Southern Region, Chennai-32 and the Commissioner, Tamilnadu Archives, Chennai-8, for permitting me to collect the sources in the Library and also I thank to all the staffs who have shown their co-operation and moral support to me.

I am also thankful to the Librarians of the University of Madras Library, Chennai-5, the Connemara Public Library Chennai-8, H.T. Parekh (IFMR) Library, Chennai-34 and Madras Institute of Development Studies (MIDS) Library, Chennai-20. I extend my thanks to the staffs of EID Parry Ltd., Kothari Fertilisers Ltd., Southern Petro-Chemicals Industries Ltd., Madras Fertilisers Ltd., and Department of Agriculture, Ezhilagam, Chennai-5, for their help to collect the primary sources.

I owe a deep debt of gratitude to Dr.P.R. Rangasamy, Principal(Retd.), Pachaiyappa’s College, Chennai-30, for giving encouragement and suggestions during the course of my research.
