CONTENTS

ACKNOWLEDGEMENTS.................................................................viii

ABSTRACT....................................................................................xi

I.  INTRODUCTION.................................................................1

II. REVIEW OF PREVIOUS WORK...........................................9

   Brief History of Various Approaches to the Evidence of Reincarnation.............11

   Early Reports of Spontaneous Memories of Previous Lives..........................19

   Improved Methodological Features of Recent Investigations......................26

   Surveys of Belief in Reincarnation.............................................28

III. PRESENT STUDY...............................................................41

   Objectives..............................................................................41

   Sample..................................................................................45

   Characteristics of the Sample..................................................................52

   Characteristics of the Sample for Study of Belief in Reincarnation...............65

   Procedure of Data Collection..................................................................70

   Techniques of Investigation Used.....................................................74

   Types of Data Collected During the Investigation of Cases.......................81

   Difficulties Encountered During Data Collection.....................................86

   Possible Sources of Errors in Recording Information..................................97

   Techniques for Study of Belief in Reincarnation.....................................99

   Analysis of Data.....................................................................104
Some Particular Features of
Indian Cases Compared with
Those of Other Cultures............290

Indications of the Relationships
Between Belief and Knowledge of Cases........300

VI. SUMMARY AND CONCLUSIONS...............307

Implications of the Research and
Proposals for Future Investigations.........323

BIBLIOGRAPHY..............................327

APPENDICES

A - Explanation of the Terms
B - Identification of the Subjects
C - Registration Form for Cases
D - Coding Sheet for Data of Cases
E - Preliminary Information Form for Cases
F - Belief in Reincarnation Questionnaire,
Pilot Study
G - Belief in Reincarnation Questionnaire,
Second Stage
H - Belief in Reincarnation Questionnaire,
Later Revision
I - Belief in Reincarnation Questionnaire,
Final Version of Questionnaire
J - Belief in Reincarnation Questionnaire,
Interview Schedule
