ACKNOWLEDGEMENT

I have the utmost pleasure in extending my sincere gratitude to my most revered and esteemed guide Dr. M.R. Delvi for his sincere guidance, advise, constructive criticism, invaluable support and dedication conferred through out my research. I am ever indebted for his unflinching guidance and also monitoring day to day progress of my research work.

I acknowledge Dr. N.J. Shetty, Chairman, Department of Zoology, Bangalore University, Bangalore for providing the necessary facilities.

I acknowledge Dr. I.R. Khan, Reader in Zoology, Maharani Science College, Bangalore for helping and inspiration to do this work.

I am thankful to Mrs. Arifa Delvi for conferring motherly affection and being instrument in keeping my enthusiasm ever shining.

I sincerely acknowledge my Brother and well wisher Puttaswamy, Engineer, Bangalore University, Bangalore.

My thanks are due to my research colleagues Mrs. Dr. N.C. Padmasheela, R. Manjunatha, Venkatapathy, M. Krishnappa, Dr. M.U. Khan, who have helped me directly or indirectly during tenure in the department

I submit my sincere, humble honest and sincere regards to my father Chikkamuniyappa and mother Venkatamma for their multisided patronage rendered and for their endless source of inspiration and untiring resources to carry my research work without their support. Probably my work would have been incomplete, would be failing my duties if I do not mention the encouragement and help received from my wife Mrs. T.N. Ramalakshmamma and my lovely Daughter
S.M. Soumya Shree, and my little one son Prashanth Raj S.M. whose patience, endurance and understanding helped me to write this thesis.

I place on record my sincere respect my Brother Narayanaswamy, Sister-in-law Lakshmidevamma, Nephews S.N. Padma, S.N. Shivamma, SN. Nelvathi, S.N. Vijayakumar for their moral support extended during my investigation of their moral support extended during my investigation and for their views, ideas and encouragement rendered. I also thanks to B. Nagaraju for their neatness computer typing and graphs.

Lastly I take this opportunity to thanks one and all who have helped me directly or indirectly during the tenure of my stay in the Bangalore University.

MUNIRAJU
