ACKNOWLEDGEMENTS

I wish to express my sincere appreciation to Dr. K.K. Ananthapadmanabha Rao, the Supervisor, for his guidance, inspiration and encouragement during the course of this study. It has been my fortune and privilege to work under his guidance.

Sincere thanks go to the Principal D.K.P. Varadarajan and the Management of PSG College of Arts & Science, Coimbatore for the pleasant research atmosphere provided in the campus. Appreciation is extended to Dr. K. Kumaran Kutty and Dr. M. T. Thiagarajan, the researcher's Doctoral Committee members, for their valuable suggestions. I am also thankful to Dr. B.K. Basu for his useful suggestions.

Thanks are also extended to the University Grants Commission for its financial assistance and National Textile Corporation (Tamil Nadu & Pondicherry) Limited for its permission to undertake the study there. The support and encouragement of Mr. G. Subramanian, Mr. Korah John and Mr. Gopala Desikan deserve special recognition.

I am particularly indebted to Mr. T.A. Murali for his tireless efforts and countless hours spent with me throughout the completion of this thesis. I am also indebted to Dr. M. Thirunavukkarasu, Professors M. Ranganathan and T. Narasinga Rao for their helpful comments and suggestions in the draft thesis.
I record my thanks to Professors Dr. S. Shanmugasundaram, S. Thangavelu, N. Thanulingam Nedar, K. Ramasamy, R. Shanmugam, H. Peeru Mohamed and Mr. S. Velusamy. Their encouragement, support and participation in one way or other have been indispensable for the completion of this work.

I am grateful to Dr. K. Palaniappan and Prof. R. Rangaswamy for their assistance in statistical analysis. My gratitude must be extended to Mr. K. S. Palanisamy for sparing sleepless nights in the compilation of the computer programs. Special thanks are due to the authorities of the computer centres for sparing computer time and providing data processing assistance. I am particularly appreciative of the tireless efforts of Mr. C. Mani for the neat and timely execution of the typing work.

Recognition is due to my wife, R. Thangam, for her patience and encouragement throughout the completion of this study. I would like to dedicate this thesis to my children Prabu and Yamini Chitra, the joys of my life.

M. MANICKAM.
