Presentations and Participation in International Conferences

1. Navneet Dabra, and Jasbir S. Hundal, “Analysis of capacitance-voltage characteristics of ferroelectric spray deposited KNO$_3$: PVA composite films” in the 35$^{th}$ International Conference & Exposition on Advanced Ceramics and Composites to be held between January 23$^{rd}$ -28$^{th}$, 2011 at the Hilton Daytona Beach Resort & Ocean Center in Daytona Beach, Florida, USA (accepted).

3. Navneet Dabra, and Jasbir S. Hundal, “Investigation on ferroelectric properties of sodium nitrite: poly(vinyl alcohol) nanocomposite films” in Materials Science and Technology 2010 (MS&T’10) between 17$^{th}$ -21$^{st}$ October, 2010 at Houston, Texas, USA.

4. Navneet Dabra, Jasbir S. Hundal, K.C.Sekhar, Arvind Nautiyal, and R.Nath “Preparation and Characterization of Ferroelectric Ammonium Potassium Nitrate (NH$_4$)$_{0.39}$K$_{0.61}$NO$_3$ (NKN): Poly(vinyl alcohol) (PVA) Composite Films” in Materials Science and Technology, 2009 (MS&T’09), 25$^{th}$-29$^{th}$ Oct., 2009, Pittsburg (PA), USA.
