Acknowledgement

First of all, in all humanity, I offer my humble thanks to Almighty god for providing me strength and determination in completing this rigorous task.

It gives me immense pleasure to express my profound gratitude to my honourable supervisor Dr. Ram Naresh Sharma, Reader, K.N.P.G. College, Gyanpur, Sant Ravidas Nagar (Bhadohi), who during the entire period of my research work not only guided me to follow the best and the most suitable path for understanding the subject matter of my scientific quest but also sprouted in me research oriented faculty to cope with the problems of modern theories and experiments to make my attempt on the present work novel and fruitful. His inspiring guidance, everlasting enthusiasm and parental care have been an invaluable assets throughout the tenure of my research work, without these things the thesis would not have appeared in present shape. His dynamic personality, scientific temperament, untiring involvement and critical suggestions have been extremely valuable and I must confess that this work would not have seen the light of the day, but for his tireless encouragement.

I wish to thank to Vice Chancellor, V.B.S. Purvanchal University, Jaunpur for kind encouragement.

I express my sincere thanks to Principal Sir, Dr. R.K. Tiwari, and former Principal Dr. S.C. Tiwari, Dr. Fateh Bahadur Singh (Head of the Chemistry Department), Dr. R.M. Gupta, Dr. Satyendra Singh, Dr. (Miss) Veena Arora, R.K. Singh, Dr. N. Majumdar, Dr. B.M. Prasad, Dr. V.K. Singh, Dr. Vineeta Yadav and Dr. Suresh Jain, Department of Chemistry, K.N.P.G. College, Gyanpur for extending me all the necessary facilities.

I wish to thank Head, Instrumentation centre, B.H.U. Varanasi for providing necessary instrumentation facility in time.

Thanks are specially to senior researchers Dr. Hemraj (Lecturer, N.V.S. Gyanpur), Dr. B.N. Upadhyay, Dr. Pooja Giri, Dr. Rekha Srivastava for the
spirit of solidarity and collectivism in the form of help and encouragement during my research period.

I cannot forget my duty to express my indebtedness to Principal Uma Shankar Agnihotri, DDU Govt. P.G. College, Saidabad, Allahabad. Dr. Ramhit Ojha (BHU, Varanasi), Dr. Shailendra Verma, Dr. Amarnath (MGKVP Varanasi) and Mr. Vinod Kumar Bhandari, Department of Chemistry, G.I.C. Dehradun to all of the teachers who have contributed to build up my academic career.

I would like to register my heartiest thanks to my research colleague and best friend Rajnish, Piyush Mishra, V. Narayana, Yogesh Pandey, Siddhartha Tiwari and Neelam (University of Allahabad) for their invaluable help during my research work.

My everlasting and never fading gratitude goes to Dr. Aparna Mishra, H.N.B. Degree College, Naini, Allahabad and Dr. Santosh Kumar Mishra (MD), N.S.C. Jayant, Sidhi (M.P.) for their invaluable cooperation, moral support and continued encouragement during the course of the research work.

Without the blessing of parents none can proceed any step, I am not as an exception in their life. My reverential gratitude goes to my parents Mr. Srinivas Mishra (Principal) and Smt. Laish Mishra and Bade Papa Mr. Ram Awadh Mishra (Former Principal G.I.C., Dehradun), Smt. Lilawati Mishra for each and every think they have done for me. I was inspired with hard working, moral support and wholehearted cooperated of my parents in my life. Mother's love and support are invaluable. I am unable to find any word in the whole universe to express my gratitude to my dearest mother, To say about her it will be a formality but reality is greater to greater than these words in my heart. I shall need always parents love and blessing throughout my life and career.

I convey my deep sense of satisfaction to my brothers Mr. Ajay Kumar Mishra, Mr. Amrit Kumar Mishra (Software Engineer, Ghaziabad), Anand Mishra and sister Smt. Sushila Pathak as well as jijaji Mr. Rashik Bihari Pathak and Papa ji Sri. Manharan Ram Pathak who constant motivated me to
pursue research and for their unabated encouragement cheerful and sincere company throughout this endeavor, without their cooperation's this work would not have been completed.

My research work will remain incomplete if I fail to thank my wife Mrs. Mamta Mishra and Bahu Mrs. Ushama Mishra as well as my honey children Nitish, Divyanshu, Priyanshu and Himanshu Mishra.

It is perplexing to find adequate words to thank Mr. I.R. Saini, Director of D.A.V. School's Ranchi zone, J.P. Mishra, Principal D.A.V. Amlohri, Sidhi M.P. for their ever-growing affection and continuous inspiration during my research. I will be indebted for Nana Manbodh Tiwari and Nani loving care specially at various stages of my research work.

Finally I wish to express my sincere thanks to the Typist Shafiq (Allahabad) and my friends Mr. A.K. Singh (Lecturer, Chemistry), Mr. K.B. Pandey (Lecturer, Maths), Mr. Shahid Khan (Lecturer, English), Rupesh Mishra (Librarian), D.A.V. Amlohri Sidhi M.P., Santosh Mishra and Dhananjay Mishra and well wishers for this contribution.
