Acknowledgements

I would like to express my sincere gratitude and humble thanks to my supervisors, Dr. Neelotpal Sen Sarma, Physical Sciences Division, IASST and Prof. K. G. Bhattacharyya, Department of Chemistry, Gauhati University, for their invaluable guidance, priceless suggestions, constant encouragement, indispensable support and sharing their rich experience during the entire course of work.

My warmest regards to Prof. Narendra Nath Dass, Ex. Director, IASST, Guwahati-35 who had actually brought me into the field of research and also helped me immensely in understanding various properties of liquid crystalline materials.

I offer my humble thanks to Prof. Joyanti Chutia, former Director, IASST for allowing me to carry out this work at Physical Sciences Division, IASST and Prof. P.J Das, former HOD, Department of Chemistry, Gauhati University for giving me a chance to do Ph.D. under Gauhati University. I am grateful to all the faculty members, Department of Chemistry, Gauhati University for their support and valuable advice.

My sincere thanks go to Prof. Ajit. K. Banthia, former HOD, Material Science Centre, IIT, Kharagpur for allowing me to do some initial works in that centre.

I offer my deep sense of gratitude to Prof. H. Bailung, HOD, Physical Sciences Division, IASST, Dr. Devasish Choudhury, Associate Professor and Dr. A. R. Paul, Assistant Professor for their kind support and encouragement.

I gratefully acknowledge the suggestion and encouragement given by all the faculties of IASST. I am also grateful to the authorities of library, IASST for allowing me to use the library facilities

I am thankful to my lab seniors Dr. Prafulla Chetri, Dr. Hitesh Das, Dr. Nirab adhikary and my labmates Parimita, Manoj, Lakshinandan, Priyanka, Arup, Dolly, Mousumi, Syamalima, Tapan, Bijit for helping me in every possible way.

I am thankful to all other research scholars and staffs of IASST for their help and cooperation during my research work.

I am indebted to my parents who have always been a constant source of inspiration and determination to me.
I would like to take the opportunity to thanks my wife Jiatunara for her constant and long continuing support. I am also thankful to my cousin Nashir, nice Sweet, Mamun, Juman, nephew Shujani, Neelu, son Jian and all other family members for their constant encouragement during the entire work.

Finally, grateful acknowledgement is made to DIT, Govt. of India, for providing me the fellowship.

(Samiul Hoque)
