LIST OF TABLES

Chapter 1

Table 1.1 Properties of Zinc Oxide ............... 10

Chapter 3

Table 3.1 The effect of different temperature conditions viz. TEMP-I and TEMP-II, on the synthesis and characteristics of Peanut-shaped ZnO-NBs ............... 113

Table 3.2 Calculation table for the development of model depicting the relationship between L/D ratios of Peanut-shaped ZnO-NBs formed at different temperature ranges 125

Chapter 4

Table 4.1 The effect of different stirring conditions viz. STIR-I and STIR-II, on the synthesis and characteristics of ZnO Nano-whiskers (ZNWs) ............... 136

Chapter 5

Table 5.1 Anti-bacterial activity of Peanut-shaped ZnO-NBs prepared at different temperature ranges; TEMP-I and TEMP-II, against B. subtilis (MTCC 121) 172

Appendix – I

Table (AI.1) Outlines of Periods & Tasks to accomplish Objectives ............... 200
