ACKNOWLEDGEMENT

I wish to express my deep sense of gratitude to my guide Dr. Rajalakshmi. M. S., Selection Grade Lecturer, Department of Human Development, Smt. VHD Central Institute of Home Science, Bangalore. Her constant support, encouragement and valuable suggestions throughout the period of research work enabled me to complete this task successfully.

I sincerely thank Prof. Kumara Raj Urs. H. K., Principal, Grade II, Smt. VHD Central Institute of Home Science, Bangalore, for his constant motivation and support.

A very special thanks is due to Prof. Lakshminarayan Rao, former in-charge Principal. He was highly accommodative towards organizing the intervention program at Smt. VHD Central Institute of Home Science. His permission towards rescheduling of classes, especially during the workshop and exhibition paved the way for effective conduct of the research program.

I am indebted to Dr. (Smt) Sridhari Das. R. A., former Principal, Grade II, Smt. VHD Central Institute of Home Science, Bangalore and Former Chair person, Board of Studies in Home Science, for her help and
encouragement in availing of the FIP under the X\textsuperscript{th} Plan (UGC) thereby enabling me to complete my research work successfully.

**Dr. Nasira Baig**, Former Head of the Department, Department of Human Development and Former Chair person, Board of Studies in Home Science, provided invaluable suggestions from the inception of this study. Her kind gestures and helpful attitude has inspired me to pursue excellence. She also graciously accepted to scrutinize the final version of this work and provided valuable suggestions, which has brought this work to near perfection in presentation. I take this opportunity to express my sincere and heartfelt thanks to her.

I thank **Dr. Premalatha. K.**, Head of the Department, Department of Human Development, for her constant encouragement and support.

Thanks are due to the **University Grants Commission** for sanctioning me the teacher fellowship thereby facilitating me to complete my research work.

I am also thankful to the **library authorities** of Smt. VHD Central Institute of Home Science; Bangalore University; National Institute of Public Cooperation and Child Development; National Institute of Mental
Health and Neuro Sciences; and Fulfilling People’s Aspirations, India, Bangalore Branch for extending their library facilities to me.

I sincerely thank the Principals of Maharani’s College of Arts for Women and Maharani’s College of Science for women, Bangalore for granting permission to carry out the research study in their colleges.

A heartfelt, warm gratitude and thanks to all the respondents of this research who constituted the experimental and control groups. Their willing participation and co-operation motivated me to deliver my best in this research. Without them, this research would have been in a dormant state.

I also wish to express my gratitude to all the subject experts, resource persons and peer educators who contributed immensely during the intervention program. I warmly thank all the staff and peer observers who evaluated the intervention program.

A word of thanks to Mr. Suresh, K. P., Senior Scientist, Department of Biostatistics, National Institute of Animal Nutrition & Physiology, Bangalore for his assistance in the statistical analysis.
My sincere and heart felt thanks to all my family members and friends for their unfailing support and encouragement.

Last, but not the least I extend wholehearted thanks to all those invisible people who were my pillar of strength during the entire course of this research program.

MADHUMATHY. S.
