ACKNOWLEDGEMENTS

My deep felt gratitude to Dr. M. A. Yadugiri, who has been a friend as well as a guide, and who has made the research for the writing of this thesis an enjoyable and challenging experience.

I would like to thank the Principals, Heads of Departments and the lecturers, who were very supportive during the teaching sessions: NMKRV College, Jayanagar; Vijaya College, Basavanagudi; Smt. VHD College of Home Science; Government Arts and Science College; Kendriya Vidyalaya, ASC Centre; National Law School of India University; Regional Institute of English South India. I would like to thank all the students who responded so well in the classes.

My thanks are due to Dr. Sarala Krishnamurthy of Bangalore University, who helped in proof reading the thesis, and to Ms. Lata Ramaswamy who so patiently did the necessary corrections.
My thanks also to Mr. C. Shashi Shekhar, who typed the thesis and special thanks to The Jayanagar Communication Centre for the Xeroxing done.

Finally, a word of thanks to my son, Kartik Kumar, who has been keenly, if critically interested in the research, and who has helped me ungrudgingly.
