ACKNOWLEDGEMENTS.

This thesis represents my research work on "Joint-stock Banking in India" in the Department of Indian Economics, University of Madras, from July 1946 to August 1949. I am more than indebted to Dr. R. Balakrishna for his supervision and to the Syndicate of the Madras University for permitting me to work in the University as a Research Scholar.

University of Madras, August 1949. K.T. Ramkrishnam
