ACKNOWLEDGEMENT

I express my deep sense of gratitude to Dr. Varghese P. Oommen, Integrated Fisheries Project, Cochin for the constant encouragement and helpful guidance given throughout the period of my research work.

I am greatly indebted to Director, Integrated Fisheries Project for permitting me to carry out this research work and for providing the necessary facilities at Integrated Fisheries Project, Cochin.

I am thankful to Dr. M. Shahul Hameed (University of Cochin), Prof. V. Ravindranath (Department of Ocean Development Cochin) Dr. P. Premalatha, P.P. Manojkumar, T. Damodaran (Integrated Fisheries Project) for their whole hearted co-operation and help rendered during the preparation of this thesis. Thanks are also due to all my learned friends for their prompt help and encouragement during the course of this work.
