I extend a deep sense of gratitude to my supervisor Dr. M.L. Naik, Professor and former head, school of life sciences, Pt. Ravi Shankar Shukla University Raipur for his invaluable guidance and whole hearted, unconditional support extended during the course of this work.

It gives me immense pleasure to express thanks to co-supervisor Dr. M.K. Verma, Assistant chemical examiner, Govt. of M.P. state, FSL Sagar for his uninterrupted motivation and help from the day one till the end.

I am very much thankful to Dr. Vibhuti Rai, Professor and head, School of Life Sciences for providing laboratory facilities.

Words will not suffice to express my gratitude to Shri O.P. Rathor, IPS, Director General of Police, Chhattisgarh for his constant encouragement in conducting the study.

I am deeply indebted to Dr. B.P. Maithil, Senior Scientific Officer, Scene of Crime Unit, Durg for his constructive suggestions and continuous help all along this research period.

I am extremely thankful to Dr. (Mrs.) Sanju Sinha, School of Life Sciences for extending her unreserved help and co-operation.

I am also thankful to Dr. H.R. Bhawara, Scientific Officer, FSL, Raipur for his sincere help.

My thanks to shri Girija Mishra and Shri Rakesh Jaat for their help extended to me in their own ways.

Thanks Goes to Shri G. Palod and Shri Pankaj Saxena (ZAN SYSTEMS) for editing graphics and computer work.

I owe this to my mother who’s blessings were always with me and could make me do this. Here I would also like to make a mention for my wife Smt. Manjusha Mishra who was the constant force behind me.

Finally it is my privilege to remember and convey my thanks to all who supported me directly or indirectly in the completion of my research.
