ACKNOWLEDGEMENT

It gives me immense pleasure to express my deepest sense of indebtedness and gratitude to my guide Professor V. S. Kothekar, Department of Botany, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for suggesting me the present problem, and for his valuable guidance. It was only because of his constant motivation, benevolence and extraordinary patience I could satisfactorily complete the present investigation.

I take this opportunity to express my special thanks to Professor D. S. Pokle, the present Head, Department of Botany, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad and other teachers from the same Department, Professor D. S. Mukadam, Professor A. M. Mungikar, Professor A. M. Chavan, Dr. Bharati Jadhav, Dr. P. B. Papdiwal, Dr. A. S. Dhabe, Dr. A. B. Ade for their encouragement and timely help.

I am deeply grateful to Dr. S. B. More, Mr. R. S. Bajgire and Mr. B. D. Jadhav for their valuable co-operation and constant support throughout the present investigation.

I am thankful to the Scientist In charge, Agricultural Research Station, Badnapur, Dist. Jalna (M. S.) for providing me the seed material of different varieties of chickpea for my research work.

I express my special thanks to Mr. Suresh Bhesar and his family for helping me in various ways. I am thankful to Mr. J. P. Deshmukh and other garden staff for providing me the field facilities.

My special thanks are due to Dr. Mrs. N. K. Wahegaonkar, Dr. V. C. Khilare, Dr. S. B. Bharsawdkar, Dr. V. V. Sonawane, Dr. D. A. Doiphode, Rafi Ahemad, Sachin Chavan, Sopan Salunke and the non-teaching staff of Botany Department,
Vasantrao Naik Mahavidyalaya, Aurangabad for their constant encouragement and support during my present research activities.

I am sincerely thankful to President Mr. Rajaramji Rathod, Secretary Mr. Nitin Rathod, and Principal Dr. Shaikh Samad, Vasantrao Naik Mahavidyalaya, Aurangabad for their moral support and active encouragement.

I am very much thankful to my younger brother Dr. Mukund Kulthe, Mr. Anil Bhalerao, Mr. K. D. Bansode and Mr. K. D. Wakale for their kind help in various ways.

I wish to record my deep feelings of gratitude towards my parents and close relatives for providing me all their blessings and moral support. I am very much thankful to my beloved wife Sou Shilpa for her moral support and patience during the completion of research work.

Last but not the least; I would like to extend special feelings towards my son Yash for his inspiring smile all through my preoccupation.

Mahesh P. Kulthe
