

ACKNOWLEDGMENTS

I take this opportunity to express my thanks to Dr. J. D. Sharma, Professor of Physical Chemistry, Department of Chemical Engineering and Technology, Panjab University, Chandigarh and Dr. Tejwant Singh, Professor of Mathematics, Department of Mathematics and Statistics, Punjab Agricultural University, Ludhiana, for suggesting me this work. I am deeply indebted to them for their able guidance, valuable suggestions, helpful criticism and encouragement they gave me throughout the tenure of my work.

My sincere thanks are due to the Vice-chancellor, Punjab Agricultural University, Ludhiana, for granting me study leave for pursuing the research work at Panjab University, Chandigarh.

I am thankful to the Chairman, Department of Chemical Engineering and Technology, Panjab University, Chandigarh for providing me research facilities.
