ACKNOWLEDGEMENT

The author wishes to express his deep sense of appreciation and gratitude to his thesis supervisor, Dr. T. S. Kamal, Associate Professor, Department of Electronics and Electrical Communication Engineering, Punjab Engineering College, Chandigarh, for his proffered advice and valuable guidance all throughout the period of this investigation. I have been very fortunate in receiving useful suggestions which stimulated many valuable thoughts, during numerous discussions with Dr. Kamal.

I always will remember the inspiration and constant encouragement that my father S. Bachan Singh Mundra gave me at different times in my career.
