ACKNOWLEDGEMENTS

I am profoundly indebted to Dr. B.S. Sohi, Professor and Head of Electronics and Communication Engineering Department, Technical Teachers’ Training Institute, Chandigarh, for his invaluable guidance, painstaking supervision, enlightening discourses and constant encouragement without which this work would not have been possible in the present form.

I am extremely grateful to Dr. Y.C. Chopra, Principal, Swami Devi Dyal Institute of Engineering and Technology, Barwala, Haryana; formerly Professor and Head of Electronics and Electrical Communication Engineering Department, Punjab Engineering College Chandigarh, for his supervision, persistent motivation and meticulous scrutiny without which this work would not have been possible.

I am thankful to the authorities of Technical Teachers’ Training Institute, Chandigarh for permitting me to undertake this work and for extending well-equipped laboratory and other facilities available in the institute. I am also thankful to Dr. R.S. Prasad, Professor and Head of Electronics and Electrical Communication Engineering Department, Punjab Engineering College Chandigarh, for his kind help from time to time.

I am thankful to my colleagues Mr. O.S. Khanna, Mr. J.S. Rai of Electronics and Communication Engineering Department; Mr. Manmohan Singh, Senior Librarian of TTTI, Chandigarh and Dr. (Mrs.) Asha Gupta, Lecturer in Mathematics in the Department of
Applied Sciences, Punjab Engineering College, Chandigarh for their constant help and co-operation. I am thankful to all the staff members of TTTI, Chandigarh library for their help and co-operation. Thanks are also due to Mr. Sanjay Sharma, Ms. Sharmelee Thangjam and Mr. H.M. Manjunath, post-graduate students of Electronics and Communication Engineering Department for their help in result compilation and statistical analysis.

I wish to thank my wife Nirupama and daughter Sudipti for being patient and rendering moral support during the course of my work.

I thank Mr. Yoginder Kaushal for patiently and skillfully typing this thesis in the present form.

Last but not the least, I wish to thank all those who in someway or the other have helped in making this work a success.
