ACKNOWLEDGEMENT

First and foremost I am highly indebted to my revered teacher and guide Dr. Ashu Pasricha who always welcomed me for providing valuable suggestions and encouragements in order to complete this research work. Without her timely help and guidance I would have not dreamt of completing this task as I always stood in troubled waters during the course of my study. Her humane and benign posture to her students makes her approachable. The promptitude with which I received her kind and valuable guidance to my research problems helped me immensely to accomplish the task at hand. Her unassuming and in depth guidance has been a source of deep and heartfelt inspiration to me. I concede that I do not, in fact have adequate words to express my gratitude for her help.

I would like to express my deep sense of gratitude to our Chairman, Dr. Manish Sharma, Department of Gandhian and Peace Studies, Panjab University, Chandigarh for his unfailing support and valuable suggestions at every stage.
of this study.

I also take this opportunity of thanking Pro. J.N Sharma and Professor M. L. S. of the Department of Gandhian and Peace Studies, Panjab University for their valuable support in the completion of this task.

I am also grateful to the Librarian of Panjab University, Chandigarh and H.P. University, Shimla for helping me in procuring the required research material for my study.

I find myself at loss to put in my words feelings of indebtedness for my parents, husband and family members for their constant encouragement.
