DECLARATION

I, hereby, declare that this thesis entitled "The Aerobiology of Silchar (South Assam) in relation to Human health and Allergenic disorders" comprises the result of my own research work carried out in the Microbial and Agricultural Ecology and Biodiversity Conservation Laboratory, Department of Ecology and Environmental Science, Assam University, Silchar, Assam, during 2002-2005. Further, I have not submitted this thesis or any part thereof for any research degree to this or any other university.

However, part of the thesis work has been carried out in the Molecular Biology Laboratory of the Animal Health Division, ICAR Research Complex, Barapani, Meghalaya (molecular level work) and USIC of Burdwan University, Burdwan, West Bengal (scanning electron microscopy work).
