ACKNOWLEDGEMENT

The valuable help guidance and constructive criticism that various persons have provided in my research will ever be beyond my dictionary.

I express my deep sense of gratitude and indebtedness to Dr. V.K. Dwivedi, Associate Professor, Department of Genetics & Plant Breeding, J.V. College, Baraut, (Baghpat), for the investigation, sagacious guidance and constant encouragement throughout the course of the present study and in presentation of this thesis.

It gives me immense pleasure to avail the opportunity to convey my heartfelt thanks to Dr. Y.S. Tomar, Principal, J.V. College, Baraut, (Baghpat), and Dr. Monika A. Joshi (Sr. Scientist), Plant Breeding Division of seed Science & Technology (IARI) New Delhi.

I am also thankful to the faculty members. Dr. Ashok Choudhary, Associate Professor & Head and Dr. Rajesh kumar Gupta, Assistant Professor, J.V. College, Baraut, (Baghpat), for their help, useful suggestions and encouragement from time to time.

I am highly grateful and indebted to Dr. G.P. Singh, Associate Professor & Head, and Dean Faculty of Agriculture Department of Agriculture Extension, and Dr. S.K. Dwivedi, Dr. A.K. Tyagi (Associate Professor) J.V. College, Baraut, (Baghpat), for their kindly making available the necessary material for initiating these studies, untiring constant guidance and useful suggestions criticism during various stages of this research programme.

I avail this opportunity to express my warm regards and sincere thanks to Dr. S.S. Singh, (Ex-Project) Director, Dr. Gyanendra Singh, Dr. B.S. Tyagi, Dr. Sanjay Kumar Singh, (Principal Scientist) Division of Crop Improvement (Plant Breeding), Directorate of Wheat Research, Karnal, (Haryana), of their cooperation and encouragement throughout this study.

I am deeply indebted Mr. Raj Kumar, (Lab Assistant), Mr. Mange Ram and Mr. Sahendra Kumar (Supporting Staff) of the Department of Genetics & Plant Breeding, J.V. College, Baraut, (Baghpat), for their co-operation during the field and laboratory work.
My heartfelt thanks are due to my close friends Mr. Sunil Kumar Bind (Marketing Officer), Dr. Muneendra Kumar Singh (RA), ICRICAT, Hyderabad, Dr. Y.P. Singh (RA), DWR, Karnal, Ms. Divya Aggarwal (SRF) and Ms. Anupama Pandey (SRF), Division of Seed Science & Technology, (IARI), New Delhi for their cooperation, generous help and jovial company during the course of investigation and support time to time.

I shall fail in my duties if I do not place on record my deepest sense of gratitude to my parents Shri. Hubraj Bind and Smt. Samrathi Devi silent presence has always guided my efforts.

I am thankful to my family members bhaiya and bhabhi Shri. Nand Lal Bind (Vice Principal), Smt. Prabhavati Devi, Dr. Ramesh Kumar Bind (Veterinary Officer). Brother Santosh Kumar Bind (M.A. B.ed) for their encouragement, emotional and financial support during my typing work of this manuscript.

I am also grateful to my lovely Nephew Mr. Rama shankar Bind (M.A. B.ed) Mr. Pradeep Kumar Bind (B.Pharma), Mr. Chandra Prakash Bind (M.A. B.ed.) and Mr. Rajeev Ranjan (Medical Student) for their useful suggestions, moral support and encouragement received time to time.

Special thanks to my beloved wife Ms. Shyama for her kind support, help and encouragement throughout the entire research programme of this investigation. I feel pleasure to expressing sourly love to my son Tanishq whose smiles paved a way full of roses for me and will go on motivating me for a delightful future.

I express to thanks to very person who supported me directly or indirectly in carrying out the research work.

Last but not the least, I am thankful to the team of M/s Shiva Computers, Kailash Puri, New Delhi for helping in statistical analysis and typing of manuscript and over all preparations of this thesis.
