ACKNOWLEDGEMENTS

I gratefully acknowledge the cooperation and encouragement of my supervisor, Professor M.L. Raina of the Department of English, Panjab University, Chandigarh under whose able guidance I could complete my dissertation. His criticism and suggestions have been extremely useful.

I am greatly thankful to the staff of my College Library, Panjab University Library, Connecticut University Library (U.S.A), Reston Library (North Virginia, U.S.A), and Fairfax County Library (North Virginia, U.S.A).

I am also indebted to Kat Duff and Margreat Sud for sending me rare articles and books from Taos and North Virginia (U.S.A).

Last, but not the least I owe a word of gratitude to my late father for always inspiring me and to Sushma Sud without whose help I would not have been able to complete this work.

Jalandhar.
