ANNEXURES

I. Original Spectra obtained from various spectroscopy (Chapter 8)
   I.R. spectra of component C obtained after separation/ purification of the methanolic extract of *S. torvum*
   LC-MS(1) of component C obtained after separation/ purification of the methanolic extract of *S. torvum*
   H^1-NMR(2) of component C obtained after separation/ purification of the methanolic extract of *S. torvum*
   C^{13}-NMR(3) of component C obtained after separation/ purification of the methanolic extract of *S. torvum*
   DEPT.45(2) of component C obtained after separation/ purification of the methanolic extract of *S. torvum*
   DEPT.90 of component C obtained after separation/ purification of the methanolic extract of *S. torvum*
   DEPT.135 of component C obtained after separation/ purification of the methanolic extract of *S. torvum*
   2D-COSY(2) of component C obtained after separation/ purification of the methanolic extract of *S. torvum*
   I.R. spectra of component B obtained after separation/ purification of the methanolic extract of *S. torvum*
   LC-MS(1) of component B obtained after separation/ purification of the methanolic extract of *S. torvum*
   H^1-NMR(2) of component B obtained after separation/ purification of the methanolic extract of *S. torvum*
   C^{13}-NMR of component B obtained after separation/ purification of the methanolic extract of *S. torvum*
   DEPT.45(3) of component B obtained after separation/ purification of the methanolic extract of *S. torvum*
   DEPT.90(2) of component B obtained after separation/ purification of the methanolic extract of *S. torvum*
   DEPT.135(2) of component B obtained after separation/ purification of the methanolic extract of *S. torvum*
   2D-COSY(2) of component B obtained after separation/ purification of the methanolic extract of *S. torvum*

II. Identification of Plants

IV. Research paper published in Biosciences Biotechnology Research Asia, August, 2007

V. Research paper published in Advances In Pharmacology and Toxicology, August, 2007

VI. Research paper presented in National Seminar on Value addition to Bioresources of NE India, May, 2006

VII. Paper accepted for publication in Indian Journal of Traditional Knowledge

VIII. Research paper accepted for publication in Asian Journal of Chemistry
