ACKNOWLEDGEMENTS

My first obligation is to my supervisor, Dr. D.N. Shukla, M.A., Ph.D., D. Litt., Senior Professor and Head of the Department of Sanskrit, Panjab University, Chandigarh,——a dynamic personality with prodigious scholarship and deep insight, for the inspiring guidance and constant encouragement throughout the preparation of this thesis. It is only because of his sustained and untiring interest that the result of my efforts could see the light of the day. The present work is the outcome of his rare vision and generosity.

My deep and sincere gratitude is to Mrs. Kamalini Shukla, wife of Dr. D.N. Shukla, who has been a source of encouragement to me and has taken a personal interest in the completion of this work.

The Librarians of the Panjab University Chandigarh, National Museum Library Delhi, Delhi University Library, Vikram University Library, Kurukshetra University Library and Vishweshvaranand Institute of Sanskrit and Indological Studies Hoshiarpur Library, were exceedingly nice to me. I thank them all collectively and Dr. Jagdish S. Sharma of the Panjab University particularly for his personal interest.
I am also obliged to many of my personal friends, colleagues and well-wishers, who have helped me in so many ways in the completion of this assignment. My most sincere thanks to all of them collectively and specially to Mr. S.K. Pandhi, Mr. R.N. Sharma, Mr. R.K. Jain, Mr. Moti Ram Sharma, Mr. Subhas Rawail, Mr. Surinder Sawhney, Miss Madhu and Miss Sushma.
