ACKNOWLEDGEMENT

I am profoundly grateful and indebted to my respected research guide Dr. PREMAKUMARA G.S. Assistant Professor and UGC Research Awardee, DOS in Economics and Cooperation, University of Mysore, Mysore, who helped me starting from title selection up to detailed analysis of my research work. Successful accomplishment of this research would have been very difficult without his open handed time devotion from the early design of the topic, questionnaire development, up to the final write-up of the thesis by providing valuable, practical and useful comments. I wish to express my sincere, hearty and grateful thanks to him.

I would like to express my sincere thanks to respected professor Department of Economics, University of Mysore, Mysore, Prof. D.S. Leelavathi, Prof. B.K. Tulasimala, Prof. Mahendra Kumar (Chairperson), Prof. M. Indira and Dr. M. Mahesh.

I would like to acknowledge the support extended by my father and mother and two sisters Mitra and Mahnaz and also I would like to express my hearty thanks to them.

I also wish to express my sincere thanks to the many doctors, medical staff and patients who responded to my numerous questions.

Finally, I would like to thanks all those who have helped me directly and indirectly to complete this work.
