Acknowledgements

It gives me extreme honour and great pleasure to express my sincere gratitude and reverence to my esteemed teacher and guide Prof. G.S. Gill, Department of Geology, for his invaluable help, benevolent inspiration and constant encouragement at every stage of this study which led me through the difficult course of research. His quality guidance provided the good basis for lending me innovative and creative thinking. Working under his adroit guidance has been an enriching experience both at scientific and personal level.

I also wish to express my most cordial thanks to Prof. R.K. Kohli, Ex. co-ordinator, Centre for Environment and Vocational Studies, Prof. A.S. Atwal, Ex. chairperson and Prof. R. Jindal, Chairperson, Department of Environment Studies for their kind cooperation, timely help during the tenure of this work and for extending the requisite research facilities. Special thanks to Prof. Smita Chaudhry, Director, Institute of Environmental Studies, Kurukshetra University for her persistence and support.

I enormously thankful to all the faculty members of the Department of Environment Studies, Dr. Suman Mor, Dr. Madhuri Rishi Sharma and the faculty members of Department of Geology for their guidance, encouragement and moral support. I would like to convey my special thanks to Dr. Abhijit Ghosh, Department of Anthropology for his noble advice and valuable suggestions.

I would like to convey special thanks to Bhakra Beas Management Board (BBMB), Mr. G.K. Walia, Mr. Ashok Gupta, Mr. R.K. Garg, Mr. S.P. Singh, Mr. Arvind Sharma, Mr. K.D. Sharma and Satlaj Jal Vidyut Nigam Limited (SJVNL), Shimla. Mr. Gopal Singh Thakur, Mr. Y.R. Kashyap, Mr. Pradeep Singh, Mr. S.K. Sood, Mr. Sandeep Thakur, Mr. B.R. Negi, Mr. Awinash Kumar, Mr. Neeraj Kant for providing me useful information and data. I also express my sincere thanks to State Council for Science, Technology and Environment (SCSTE), Shimla, Dr. R.K. Sood, Dr. S.S. Randhawa, Dr. Rajendra Thapa, Mr. Gopal Jain, Mr. S.S. Deol, Mr. Kaul, Mr. Hemant, Mrs. Kalpana and to National Institute of Hydrology (NIH), Roorkee, Dr. Bisham Kumar, Dr. Gopal Krishnan, Dr. Sanjay Jain, Dr. Rakesh Kumar, Mr. Thakur, Mr. Sandeep Sukhla for providing requisite research facilities, cooperation, immense help and precious support.

The research fellowship awarded by the Indian Council of Medical Research (ICMR) and University Grant Commission (UGC) is gratefully acknowledged. Special thanks to Dr. Sandhya Diwakar and Mr. Jaibeer (ICMR) for their support and requisite assistance. I am very greatful to Mr. P. Doorjee Gyamba, Central Water Commission (CWC), Shimla, Mr. Bhavnesh Sharma,
Ground Water Organization, Una and Dr. Manju Shro, National Remote Sensing Centre (NRSC), Hyderabad for their help and valuable suggestions.

I am thankful to non-teaching staff of Geology Department, Mr. Kuldeep, Mr. Gyan Chand and Department of Environment Studies, Mr. Rajinder Prasad, Mr. Jagdish Singh, Mr. S.S. Mann, Mr. Lalit Dhiman for their support during the tenure of this study. My affectionate thanks to Mr. Vijender Sahu, Department of Geology, for his selfless help, persistent encouragement and noble advice.

Words are not sufficient to express my gratitude to my best friends Dr. Vijay Siwach, Dr. Anil Pawar, Dr. Ajit Sharma, Dr. Anil Siwach, Dilbag Sheoran, Mohit Laidu and Tsering Punchok for their unflinching support, extreme perseverance and who bore the maximum brunt of my involvement in this piece of research from the beginning till the completion of my PhD.

My acknowledgement is due to all my seniors (who have been more of my friends) Dr. Rejeev Nagill, Dr. Devender Dhanda, Dr. Sukdev Kundu, Dr. Harish Chand, Dr. Vishwa Chandel who delighted my whole path of PhD work with their valuable support, suggestion and willingness to share their bright thought with me. Special thanks to Dr. Satish Mittal and his wife, Mrs. Deepa for their selfless help, guidance, persistent encouragement and noble advice. I wish to convey my words of thanks to my colleagues and friends Nayana, Suman, Nivedita, Kamaldeep, Rajbala, Renu and Deepika. I wish them a happy and prosperous life. My research life would not have been enjoyable and exciting without the company of my friends Rosan, Jitender, Sudeep, Amit, Sonu, Jaideep, Jaswant, Maneet and Sushil.

When emotions are involved, the words cease to mean. There are no words to pay regards to my parents who sacrificed a lot for my welfare and brought me up to this esteemed stage and taught me the value of hard work and honesty by their own examples. What I am today is due to their inseparable support and prayers. Special thanks to my wife whose constant encouragement, patience and selfless devotion helped me to accomplish the research work. I convey my heartfelt thanks to my brother, sister and sister-in-law for their love and encouragement throughout my studies. Above all, I am extremely thankful to The Almighty God for his grace and blessings which provided me courage to sail through this journey.
