ACKNOWLEDGEMENT

I am indebted to my research guide and supervisor Dr R Panneerselvam, Reader, School of Management, Pondicherry University, Pondicherry, without whom this research could not have been a reality. His unswerving encouragement, critical and incisive evaluations, patience, thoroughness and expertise institute him as the real mentor of my research work.

I have pleasure to acknowledge my great obligation to the Dean, School of Management, Pondicherry University, Pondicherry and the Office staff of the School of Management, Pondicherry University, Pondicherry for helping me from time to time for the successful completion of the research programme.

I am very grateful to the Management, Principal, Head of the Mechanical Engineering Department and Colleagues of S R K R Engineering College, Bhimavaram for providing me encouragement to carryout my research programme I record my thanks to my final B.E., (Mechanical) project batch students of 1992-93, 1993-94, 1994-95 and 1996-97 for helping me in data collection during anthropometric study and fabrication of low cost "tyre-changer".

I am immensely grateful to the Andhra Pradesh State Council of Science and Technology (APCOST), Government of Andhra Pradesh, Hyderabad, for granting financial assistance to design, develop and fabricate the low cost "tyre-changer" during 1992-93, 1994-95 and 1996-97.

I thank Dr G Arunachalam, Department of Statistics, D N R College, Bhimavaram for his valuable suggestions in the statistical analysis of the research results. My thanks are also due to Prof G V Padma Raju, Department of Computer Science & Engineering, S R K R Engineering College, Bhimavaram for his assistance in computer programming. I thank Dr. K R K Raju, Executive Director, Remote Sensing Applications, Hyderabad for providing cartographic facility.

I would like to thank Dr. B. Janardhan Reddy, Principal, S R K R. Engineering College, Bhimavaram for his co-operation and suggestions from time to time to carryout my research programme. I am grateful to Dr V Sitaramaiah, Pondicherry Engineering College, Pondicherry for arranging a peaceful and comfortable

accommodation at the Guest House of Engineering College while staying at Pondicherry for my research programme

I put on record my gratefulness to the Librarians and Staff at Pondicherry University, Pondicherry; I.I.T., Madras; I.I.T., Bombay, N.I.T.I.E., Bombay; Central Labour Institute (CLI), Bombay, I.I.Sc., Bangalore; National Institute of Design (NID), Ahmadabad and Entrepreneurship Development Institute of India (EDI), Ahmadabad for providing library facilities whenever I have approached them during my research programme

I would like to express my thanks to the local vulcanising shops at Bhimavaram who have helped me from time to time to conduct field trials on the low cost ‘tyre-changer’ I put on record my thanks to all those individuals at various towns of coastal Andhra Pradesh for their co-operation to be volunteer subjects during anthropometric study

This acknowledgement will be incomplete if I fail to place on record my debt of gratitude to my wife, daughter and son who are my constant source of encouragement in undertaking the research and completing it successfully.

I put on record my sincere and respectful gratitude to my sister-in-law and elder brother, Mrs. & Mr. D.V.V.S. Prasad for up-bringing me to this level. My thanks are also due to my brother-in-law, Mr B S V.G. Sarma, for his unceasing co-operation and help in visiting various places in Bombay during my research programme.

I would like to thank Mr V V Mahesh for neat and swift job in bringing out this thesis.

This research programme has been facilitated by many well wishers I express my sincere gratitude to each and every individual who helped me directly or indirectly in successfully completing my research work

While I gratefully acknowledge all the support received from different sources in carrying out this research, I own full responsibility for the omissions and commissions in this work, if any.
