Acknowledgement

It is with great pleasure that I wish to express my heartiest sense of gratitude to Prof. T. Som, Prof. A.K. Sen and Prof. D Biswas for their supervision and guidance on this work. I am grateful for their constant encouragement, advice and help without which this work would have not been possible.

I am thankful to Professor K. Hemachandran, Dean, School of Physical Sciences, Prof. Ramendu Bhattacharjee, Head, Department of Physics, Prof. D. Biswas, Head, Department of Mathematics and Dr. S.B. Paul for their encouragement and valuable suggestions throughout the course of the work.

This column remains incomplete if I forget to acknowledge the help and encouragement of my son Shri Rohit Bhattacharjee and all members of my family in the process of the work.

I also wish to thank Dr. Gunakar Das, Shri S.B. Das, Shri Nilu K. Das, Shri Jamil Ahmed Barbhuiya, Shri G.M. Laskar and all my friends who have co-operated with me during the research work.

I express my sincere thanks to Shri Alak Chakraborty for his adept typing of the work.

I am grateful to Assam University for providing necessary facilities to carry out the research work.

Rinku Chakravarty
