ACKNOWLEDGEMENT

With deep sense of gratitude and immense pleasure I take this opportunity to express my sincere and heart-felt thanks to Dr. V.D. Ridget, Professor (Animal Nutrition) for his continued interest, unstinted guidance and constant encouragement throughout the course of this investigation.

I feel deeply indebted to Dr. S.P. Arora, Head, Dairy Cattle Nutrition and Physiology Division, for his invaluable help and inspiration without which the present study would not have been possible. I am highly grateful to Dr. D. Sundaresan, Director of the Institute for providing all the facilities during the course of this work.

Enormous help rendered by Dr. R.S. Ladri, Dr. T.K. Wali, Dr. V.K. Kakkar and Mr. Navab Singh by way of technical consultation is deeply acknowledged.

A sense of indebtedness and appreciation is revealed through these lines to all the friends and staff members of the Dairy Cattle Nutrition and Physiology Division for their help.

I am grateful to Mr. K.N.S. Sharma, Mr. Surendra Singh and Mr. B.K. Jain for their advice in the statistical analysis.

(K.K. SINGHAL)
