Acknowledgement

Throughout the work of this thesis, I have been blessed with help and support from a number of people in many different aspects. I will be failing in my duty if I do not acknowledge some of those whose contributions are highly significant in my research works. First of all, I want to express my heart felt gratitude to Dr. R. K. Thapa, Head, Department of Physics, Mizoram University who is always there to guide and support me. In fact, it was him who initiated the topic of the research investigation for this thesis. Without his constant help and encouragements, not to mention his endless patience, this work would not have been possible.

I would also like to give special thanks to Dr. Ramendu Bhattacharjee, Head, Department of Physics, Assam University, Silchar for his enormous help, support and encouragement in many aspects throughout the entire work of this thesis.

Thanks are due to other members of Condensed Matter Theory Research Group namely, Dr. B. Zoliana, Dr. Zaithanzauva Pachuau, Mr. Gunakar Das and Mr. Shivraj Gurung for their help and encouragements. The discussions we had regarding our research works have helped me tremendously.

Thanks to the Vice Chancellor, Assam University and also the Vice Chancellor, Mizoram University for permitting me to avail of various facilities. Thanks also to the teaching and non-teaching staffs of the Department of Physics, Assam University, and also Department of Physics, Mizoram University for their cooperation and support.
I would also like to thank Dr. S. Hom Choudhury, Principal, DSST for his support and understanding. Thanks to my colleagues at DSST for their endless encouragements.

Thanks are also due to Mrs. Kamala Thapa for her hospitality and encouragement throughout the entire work of this thesis.

I also thank the Department of Higher and Technical Education, Govt. of Mizoram for financial support during this work.

Last, but not the least, I would like to give a very special thanks to my sister ‘Seni’, my brothers ‘Hima’, ‘Saidenga’ and ‘Thangura’ and my sister in-laws ‘Nguri’ and ‘Mahriati’ for their unending love and encouragements. They are my constant source of support and they are the ones who are always pushing me to go one step further ahead. I would also like to thank all my friends for their constant prayers and support. Once again I thank God for all the blessings bestowed upon me and giving all these wonderful people in my life.

Silchar
