CONTENTS

Introduction (vi)
Notations (xii)

CHAPTER 1: Almost sure limit sets of vector sequences of maxima and moving maxima.

1.1 : Introduction.  1
1.2 : Almost sure limit sets - Results and Proofs.  7

CHAPTER 2: Almost sure limit sets of vector sequences of backward moving maxima and backward moving second maxima.

2.1 : Introduction.  43
2.2 : Almost sure limit sets - Results and Proofs.  44

CHAPTER 3: Almost sure limit sets of vector sequences under power normalization.

3.1 : Introduction.  79
3.2 : Almost sure limit sets - Results and Proofs.  81

CHAPTER 4: Almost sure limit sets of sequences from a discrete distribution.

4.1 : Introduction.  86
4.2 : Almost sure limit sets - Results and Proofs.  88

CHAPTER 5: Limiting distribution of order statistics from a discrete distribution.

5.1 : Introduction.  104
5.2 : Limiting distribution of max, second max and mex.  107
